Coppola Paving and Landscaping
3830 Boston Rd
Bronx, NY 10475

Dear Sir or Madam:

We at Manhattan College would like to express our thanks for the large scale landscaping job that your company has performed at our new dorm. The overall approach to this difficult site was excellent and the efforts of your staff did not go unrecognized. We look forward to working with Coppola Paving and Landscaping in the future.

Sincerely,

Victor Schneider
Assistant Director of Physical Plant
